Dermafix Facials

Dermafix is a South African Cosmeceutical Skincare brand and provides advanced products specialising in anti-ageing, hyperpigmentation, acne, scarring and stretch marks. Our in-clinic protocols make use of clinically tested ingredients to provide measurable, scientific results for correction, prevention and protection of the skin.

DermaFix Kickstart Facial

R600

Ideal introductory DermaFix facial, offering skin boosting benefits customised to suit the essential needs of your skin.

DermaFix "Flash Lift" Anti-Ageing Facial

R650

Intensive facial protocol that leaves the skin lifted, radiant and rejuvenated. Specifically designed to target areas showing progressive signs of ageing.

DermaFix Glow & Go Facial

R620

For sun damage, dark marks or hyperpigmentation. This facial includes a blend of active skin brighteners, working in harmony with your skin to promote even skin tone.

DermaFix SOS Repair Facial

R590

A gentle, soothing experience. This anti-inflammatory facial focusses on environmentally damaged, problematic, sensitised, Rosacea/Eczema prone skin types. Skin looks visibly calmer, hydrated with a healthy glow.

DermaFix Skin Quencher Facial

R585

Hydration & oil balance are the name of the game within this "thirst quenching" facial. Specifically targeting dry & dehydrated skin types, it works by boosting hydration levels whilst visibly improving fine lines & wrinkles, often accompanying a drier skin concern.

Deep Cleanse / Back Facial

R550

Get rid of unwanted build up of dead skin cells, oil, dirt and toxins to reveal a rejuvenated and smoother looking skin. Excellent for oily, clogged pores, blackheads / whiteheads removal and acne / congested skin.

Dermafix Advanced Facials

DermaFix C-Glow Facial

R670

Get that healthy, hydrated summer glow. Vitamin C shines as key ingredient, boosting antioxidant levels within the skin, whilst brightening the skin tone. The skin is left feeling smoother and hydrated, with a boost in overall skin radiance.

DermaFix Pro-Bright Facial

R620

Looking for over all skin rejuvenation, this facial lifts off redundant skin cells, encouraging cellular renewal. It boosts repair of the skin's protective barrier to promote healing and calming of the skin. The skin is left feeling refreshed and soothed with a noticeably smoother texture.

DermaFix Vitamin A Boost Facial

R840

The Vitamin A Boost facial utilises the vitalisation power of Vitamin A. This facial leaves the skin feeling softer and smoother with no downtime or irritation.

Dermafix Facial Peels

Please note that facial peels are only available during the winter months with the exception of the Mini Peel which is available all year-round.
